Dear Mr. Caton:

- [1] This is a total state rate. The intrastate portion will be calculated by class of service by reducing the total state rate by the amount of any applicable interstate End User Common Line (EUCL) Charge and any flat rated interstate charge to the CLEC for the replacement of Carrier Common Line (CCL) Charges. U S WEST Communications, Inc., has filed for a waiver of the F.C.C. Rules to bill the EUCL Charge and a flat rated interstate CCL Charge to the CLEC. Approval of the waiver is pending. The intrastate portion of the total state rate will be further reduced to the CLEC when the Colorado Commission approves the Company's pending tariff for a flat rated CCL Charge. This tariff was filed on May 10, 1996 and is pending approval.
